والذكاء الاصطناعي  
Saudi Data & AI Authority

Dear WAICY Family,

As we bring WAICY 2023 to a successful close, the Organizing Committee extends its heartfelt gratitude to each individual and organization that participated in this extraordinary event.

We would like to thank the **Saudi Data & AI Authority (SDAIA)** and the **KAUST Academy** for their incredible support. Your commitment and contributions have been fundamental to the success of this competition. The collaboration with SDAIA and KAUST Academy is a shining example of the Kingdom's dedication to nurturing the next generation of innovators and thinkers in AI and technology.

To our sponsors, your unwavering support and belief in our mission have been instrumental in our achievements. Your contributions have laid the foundation for an event beyond competition, fostering learning and innovation.

To the dedicated teachers, your guidance and mentorship have been invaluable. Your efforts have enhanced the projects and inspired students, instilling in them the confidence to excel.

To our hardworking volunteers and judges, the dedication you showed over these past two days has been the backbone of WAICY family. We are immensely grateful for your commitment and the time you invested in ensuring the success of this event.

And to our outstanding students, your energy, creativity, and innovative spirit have truly brought WAICY to life. Congratulations to all our winners and participants for your remarkable achievements. Your work has showcased your talents and the collective potential in AI and technology.

This year was marked by introducing two new generative AI tracks, which brought forth inspiring and innovative results. These additions have enriched the competition and set new benchmarks for the future competitions.

We are proud to witness the growth of our WAICY family. Your participation and efforts have made WAICY 2023 a memorable and successful event. We eagerly look forward to seeing what WAICY 2024 will bring and the continued evolution of this amazing community.
