أكاديمية كاوست
KAUST ACADEMY

Dear WAICY Family,

As WAICY 2023 comes to a close, we, the Organizing Committee, want to express our heartfelt thanks to everyone who made this event extraordinary.

To our sponsors, thank you for your unwavering support. Your belief in our mission has been a cornerstone of our success.

To the dedicated teachers, your guidance and inspiration have been invaluable to our students' journey. Your commitment shines through in every project.

To our hardworking volunteers and judges, your dedication over these two days has been the backbone of WAICY. We are immensely grateful for your time and effort.

And to our outstanding students from over 40 countries, thank you for bringing your energy, creativity, and innovation to WAICY. Congratulations to our winners and every participant for your outstanding contributions.

This year was exceptional, with the introduction of two new generative AI tracks, and the results were truly inspiring.

We are proud to see our WAICY family growing, and we thank each of you for participating in this beautiful journey. Your efforts have made WAICY 2023 a memorable and successful event, and looking forward to WAICY 2024.

WAICY 2023 Organizing Committee

WAICY 2023 GLOBAL RANKING

Congratulations to the Winners of WAICY 2023!

Congratulations on your extraordinary achievements in WAICY 2023! Your hard work, creativity, and passion set a high standard in this global competition.

In the High School Categories:

Your accomplishments in the AI Showcase, AI-Generated Art, and AI Large Language Model Tracks are commendable. Congratulations to the Gold, Silver, and Bronze awardees and those recognized in 4th and 5th places. Your excellence in AI, Impact, and Design has not gone unnoticed.

In the Middle School Categories:

Kudos to all the winners in the AI Showcase, AI-Generated Art, and AI Large Language Model Tracks. Your innovative projects and artistic talents are truly inspiring. Gold, Silver, and Bronze awardees, and those in 4th and 5th places, you have showcased exceptional skills.

In the Elementary School Categories:

A big round of applause for the young geniuses in the AI Showcase, AI-Generated Art, and AI Large Language Model Tracks. Your early achievements in AI technology are impressive. Congratulations to our Gold, Silver, and Bronze winners and those in 4th and 5th places.

Special Acknowledgements:

Outstanding Research Award winners, you have contributed significantly to AI as a young researcher.

Outstanding Teacher Awardees, your dedication to AI education is truly admirable.

Outstanding Organization Awardees, thank you for your support and commitment to advancing AI education.

Thank you, Outstanding WAICY Volunteer Awardees, for your tireless efforts.

Outstanding WAICY Judge Awardees, your expertise and fair judgment are highly valued.

Each of you has played a pivotal role in making WAICY 2023 a grand success. Your achievements reflect your talents and demonstrate AI's incredible potential in shaping our future.

Once again, congratulations on your well-deserved success!

WAICY 2023 Organizing Committee
