(GLOBAL 2024)

Jointly Organized by

ReadyAi   أكاديمية كاوست
              KAUST ACADEMY

Dear WAICY Family,

As WAICY 2024 concludes, we are overwhelmed with gratitude and pride for the remarkable achievements we've witnessed this year. This event's success is a testament to the collective efforts of our extraordinary community.
To our partners, your unwavering support and collaboration have empowered young minds through AI. Your commitment has been the bedrock of our global impact.

To our exceptional teachers, your dedication to nurturing the next generation of innovators is evident in every project. You are the guiding light transforming ideas into impactful realities.

To our amazing volunteers and judges, your tireless efforts have been the backbone of WAICY. Your passion and commitment have woven the fabric of this transformative experience.

To our brilliant students from over 53 countries who reached the final round, you are the heart and soul of WAICY. Your creativity, energy, and determination have inspired us all. We are especially thrilled to welcome increased participation from Africa this year, marking a monumental step toward building a genuinely global AI community. Congratulations to every participant for pushing the boundaries of possibility and illuminating a future full of hope and promise.

This year, WAICY reached new heights by introducing four distinct tracks, which learners worldwide enthusiastically embrace. These tracks have enabled young innovators to explore uncharted territories, expand their horizons, and unleash their limitless potential. WAICY 2024 is a testament to the power of collaboration, imagination, and education. Together, we are shaping a brighter future, proving that no challenge is insurmountable when we unite as a global family. Thank you for being part of this incredible journey. Here's to the dreams we've realized and the countless possibilities ahead!

With heartfelt gratitude and inspiration,

WAICY 2024 Organizing Committee

WAICY 2024 GLOBAL RANKING

Congratulations to the Winners of WAICY 2024!

Your extraordinary achievements in WAICY 2024 have set a new benchmark in this global competition. Your hard work, creativity, and passion are truly inspiring!

High School Categories:
Congratulations to the Gold, Silver, and Bronze awardees and those recognized in 4th and 5th places in the **AI Showcase**, **AI-Generated Art**, **AI Large Language Model**, and **AI-Generated Video** Tracks. Your outstanding work in AI, Impact, and Design reflects your innovation and dedication to excellence.

Middle School Categories:
Kudos to the winners in the **AI Showcase**, **AI-Generated Art**, **AI Large Language Model**, and **AI-Generated Video** Tracks. Your innovative projects and creativity have captivated us all. Congratulations to the Gold, Silver, and Bronze winners and those securing 4th and 5th places for showcasing exceptional talent and skill.

Elementary School Categories:
A big round of applause to the young trailblazers in the **AI Showcase**, **AI-Generated Art**, **AI Large Language Model**, and **AI-Generated Video** Tracks. Your achievements are remarkable and set the stage for future innovation. Congratulations to the Gold, Silver, and Bronze awardees and those recognized in 4th and 5th places for your impressive work.

AI Showcase Track:
Create a project that showcases an AI solution for a real-world problem. Congratulations to all participants for your innovative solutions that address meaningful challenges.

AI-Generated Art Track:
Based on this year's theme, create artwork using text-to-image AI models like DALL·E 2, Midjourney, or Stable Diffusion. Your incredible creativity and artistic expression have set new standards in this competition.

AI Large Language Model Track:
Instruct the AI to adopt a specific domain of expertise using popular AI Large Language Models, such as ChatGPT, Bard AI, and others. Your imaginative prompts and applications have showcased how AI can serve diverse and impactful purposes.

AI-Generated Video Track:
Leverage AI tools to create a short video that addresses a real-world problem or conveys a compelling message. Your powerful storytelling and technical skills have inspired us all.

Each of you has played an integral role in making WAICY 2024 a resounding success. Your achievements reflect your immense talent and showcase AI's transformative potential in shaping a brighter future for all.

Once again, congratulations on your well-deserved success! We can't wait to see the incredible things you will achieve next.
